

Legend

- | | | | |
|------------------------|----------------------------|-------------------------------|---------------------------------------|
| 1 Heat generator | 13 Tank sensor (top) | 21 Expansion option | 59 Electric heating element |
| 2 Primary pump | 13 Tank sensor (bottom) | 22 Mixing valve with actuator | 71 Electric heating element |
| 5 Outdoor sensor | 15 Expansion vessel | 23 Heating circuit pump | 85 Controller in wall-mounted housing |
| 6 Remote control | 17 UFH temperature limiter | 36 Circulation pump | |
| 9 Safety valve / group | 18 Dirt separator | 40 Flow sensor | |
| 11 Switch valve | 19 Overflow valve | 54 Buffer tank | |
